MD 007 Monacrete 215

EN 771-3:2011

Category II 440x215x215mm aggregate concrete masonry unit

Dimensions: 440mm x 215mm x 215mm

Dimensional tolerances:

Category: D1

Configuration: Group II

Compressive strength: 7.3 N/mm² (Cat II)

Shear bond strength: 0.15N/mm²

Reaction to fire: Euroclass A1

Water vapour permeability: 5/15

Direct airborne sound insulation:

Gross dry density 1230 kg/m³

Configuration As above

Thermal resistance: 1230 kg/m³
