ML 002 Monalight 100S

EN 771-3:2011

Category II 440x100x215mm aggregate concrete masonry unit

Dimensions: 440mm x 100mm x 215mm

Dimensional tolerances:

Category: D1

Configuration: Group I

Compressive strength: 7.3 N/mm² (Cat II)

Shear bond strength: 0.15N/mm²

Reaction to fire: Euroclass A1

Water vapour permeability: 5/15

Direct airborne sound insulation:

Gross dry density 1500 kg/m³

Configuration As above

Thermal resistance: 0.200 m²/KW
